All rooms is provided with a private bathroom which can be inner or outside.

Different areas are available for group activities and workshops and there is also a little library.

On the superior flat, there is a large space equipped with projector and stereo system, ideal for cinemas evenings or other little events.

All around a big garden and woods so that it is possible to practice any type of outdoor sport or activity.

Nearby you can find the village of Segonzano and its football field that is available for our guests, by reservation at the time of booking.

SURROUNDINGS

In the surroundings of our home, it is possible to visit the earth Pyramids of Segonzano, a masterpiece of nature: towers, crests, pinnacles arranged like organ pipes, tall columns towered by a huge porphyry rock. The site is open to visitors all the year round, and can be reached by a specially equipped, clearly marked path. ([info here](#))

About 25 minutes by car/bus you can find the [lake Santa Colomba](#), located on a fault between rock of volcanic origin (quartz porphyry) and rock of a sedimentary nature (the calcareous rock of Mount Calisio).

At the same distance, there is also [Serraia Lake at Baselga di Piné](#).
