

Casa Dal Trozzo

Casa Dal Trozzo - owned by the foundation of the same name in Borgo Valsugana – was completely renovated in 2019 through low environmental impact techniques such as geothermal heating that ensures an ideal temperature in all seasons.

ROOMS

Rooms – all provided with private bathroom and shower - are divided between the first, second and third floor in this way:

on the ground floor: 9 Rooms with 1/2/3 beds

on the first floor: 9 1/2/3 bed rooms, a common room

on the second floor, attic, 8 Rooms with 2/3 beds, two common rooms

The house is provided also with two covered terraces outside, a large green space all around, a football field and a volleyball court (with changing rooms outside).

SURROUNDINGS

About 20 minutes away by walk you can find [Arte Sella: the contemporary mountain](#). A unique creative process, that in a journey of thirty years has seen various meetings of an artistic nature, different inspirations and sensitivities accumulated from a desire to continue a dialogue between creativity and the natural world.

Otherwise you can discover the characteristic town of [Borgo Valsugana](#) with its modern [swimming center](#) with indoor and outdoor pools.
